Country Specific Commentary

Leave and absence categories may vary according to local legislation, applicable collective bargaining agreements and individual employer policies.

Additional country-specific leave categories or arrangements may apply and can be incorporated into the Global Leave Administration service where required, subject to the agreed scope of services.

State and territory legislation, modern awards and enterprise agreements may provide for additional or differing leave arrangements, particularly in relation to long service leave and work-related injury absence.

Local System Functionality

The standard Leave Administration module can be supplemented with the Time module offering some Time Entry/Exit recordings at an additional charge.

Additional Services

It is possible that additional local services may be required in specific local countries to support the global standard operating model. Below is a list of additionally chargeable services for your consideration:

- Time Module.
- Leave benchmarking study.
