Country Specific Commentary

Leave and absence categories may vary according to local legislation, applicable collective bargaining agreements and individual employer policies.

Additional country-specific leave categories or arrangements may apply and can be incorporated into the Global Leave Administration service where required, subject to the agreed scope of services.

Collective bargaining agreements may provide additional leave categories or arrangements that vary between industries and employers.

Local System Functionality

The standard Leave Administration module can be supplemented with the Time module offering some Time Entry/Exit recordings at an additional charge.

Additional Services

It is possible that additional local services may be required in specific local countries to support the global standard operating model. Below is a list of additionally chargeable services for your consideration:

- Time Module.
- Leave benchmarking study.
