

ZEDRA Hong Kong

Hong Kong is a leading global financial centre for trade, investment and wealth management. Operating under a “one country - two systems” constitutional arrangement with China, it retains a legal and judicial system based on common law. Combined with the cultural and economic benefits of being located at the front door to Asia’s largest economy, as well as neighbour to the region’s other dynamic emerging economies, Hong Kong is a unique jurisdiction for conducting business.

ZEDRA Hong Kong’s team of highly experienced and multilingual professionals has broad experience working with local, regional and international clients. The office provides bespoke services to its clients, which include Hong Kong and international companies, entrepreneurs, business professionals and high-net-worth families.

Trust Services

A Trust or a Foundation may be used for a variety of personal, estate, financial, tax and business planning objectives. They are often used in combination with underlying entities to which ZEDRA can provide administration services.

As a professional trustee, ZEDRA Hong Kong has the depth of knowledge and ability to understand the importance of meeting clients’ wealth management needs by providing bespoke trust and fiduciary services to preserve and protect their wealth for future generations.
