* Before a Lasting Power of Attorney can be used by your attorney, it must be registered with The Office of the Public Guardian (OPG). They charge a registration fee of £92 (current at the date of publication) per Lasting Power of Attorney. Our Lasting Power of Attorney Fees do not include The Office of the Public Guardian registration fee, nor their fee for a certified copy of a Lasting Power of Attorney which is currently £35 (current at the date of publication).

There can be an exemption to the Office of Public Guardian registration fee for people who receive certain means-tested benefits, and a 50% fee reduction may be available based on the applicant's financial circumstances or a reduction based on the applicant receiving Universal Credit.
